

FUDoM 05

Second Announcement (October) 2004

FINNO-UGRIC INTERNATIONAL CONFERENCE OF MECHANICS
WITH ESI GROUP SYMPOSIUM
29 May - 4 June, 2005, Ráckeve (Budapest), Hungary
<http://www.mm.bme.hu/FUDoM>

In accordance with the First Announcement (enclosed) detailed information on the event follows.

CALL FOR PAPERS Participants wishing to make a contribution are requested to submit the registration form by using the form in the home page (see above), and a one-page abstract in the conventional form preferably by email. Deadline for submission: March 10, 2005. Notification of acceptance: by April 1. You are kindly requested to use the enclosed registration form.

ESI GROUP SYMPOSIUM Those wishing to make their presentation in the ESI Group Symposium are kindly requested to submit an extended 4-page abstract as well. The ESI Group will provide financial support to the participants up to EUR 600, subject to the extent of the involvement of the ESI and to the number of presenters. The decision on the support will be made by the IOC and LOC headed by P. Elesztos, the representative of the European Software Institute Group.

STUDENT PAPER COMPETITION Those wishing to participate are kindly requested to indicate it in their abstract. There will be three categories, i.e. PhD, MSc and undergraduate. The LOC hopes to raise funds to provide financial support to the participants.

REGISTRATION FEE and ACCOMMODATION, on a double occupancy basis, will be EUR 350 each (totalling EUR 700), including full board, official receptions, abstracts and proceedings, transportation between airport and venue and social programmes according to the 2nd Announcement. For accompanying persons the registration fee and the accommodation will be EUR 250 each (totalling EUR 500). It is possible to extend the stay before and after the Conference for a day or two for approximately EUR 35/day.

SOCIAL PROGRAMMES The programme consists of a whole-day sightseeing tour of Budapest and Szentendre, a half-day "Puszta" visit, as well as a visit to a medieval church and a farmer market, a concert of classical music, a folklore programme at the welcome banquet and a reception on nearby Angel island.

A. Szekeres

First Announcement (October) 2003

FINNO-UGRIC INTERNATIONAL CONFERENCE OF MECHANICS
WITH ESI GROUP SYMPOSIUM
29 May - 4 June, 2005, Ráckeve (Budapest), Hungary
<http://www.mm.bme.hu/FUDoM>

THE AIM of the Conference according to the traditions of the FUDoM is to provide a forum for

scientist in the field of mechanics focusing on Estonia, Finland and Hungary but aiming for a wider network either between these actors or any other interested parties. This will be an additional possibility to discuss current research activities, to get more acquainted with one another, and to find the areas of possible collaboration in future.

THE VENUE chosen for the Conference is Rackeve, approximately 30 km south of Budapest along the river Danube.

Accommodation, meals and lectures are planned to be offered in the refurbished Savoya Palace.

THE CENTRAL THEME of the Conference will be mechanics with emphasis on "From Theory to Application" but contributions in close fields are also welcome. The official language of the Conference will be English.

THE SCIENTIFIC PROGRAMME will consist of invited lectures and contributions (both 20-30 min.) chosen by the International Organizing Committee. There is a certain probability to publish the texts of the talks later in the Proceedings of the Estonian Academy of Sciences after a usual refereeing procedure.

THE REGISTRATION FEE and THE ACCOMMODATION, on a double occupancy basis, will be ca. 350 and 350 EUR, respectively, including full board, official receptions, abstracts and proceedings, transportation between airport and venue and social programmes according to the 2nd Announcement. For accompanying persons the registration fee and the accommodation will be ca. 250 and 250 EUR, respectively. It is possible to extend the stay before and after the Conference for a day or two for ca. 35 EUR/day.

SOCIAL PROGRAMMES will be organized. The planned programme consists of a whole day Budapest and Szentendre sightseeing, a half day "Puszta" visit, the visit of a medieval church and a farmer market, a concert on classic music, folklore programme on the welcome banquet and reception on the nearby Angel island.

INTERNATIONAL ORGANIZING COMMITTEE (IOC):

P.Elesztos (SLK), J.Engelbrecht (EST) - chairman, A.Pramila (FIN), M.Ranta (FIN) - honorary chairman, A.Szekeres (HUN).

LOCAL ORGANIZING COMMITTEE (LOC):

G. Beda, G.Csernak - secretary, G.Stepan - chairman, A.Szekeres - executive chairman.

ORGANIZED BY THE HAS-TUB Research Group for Dynamics of Machines and Vehicles, Department of Applied Mechanics, Technical University of Budapest.

SUPPORTED BY THE

Technical University of Budapest,
Institute of Cybernetics at Tallinn Technical University,
Department of Mechanical Engineering, University of Oulu.

All interested to attend and to receive the 2nd Announcement giving detailed information are welcome as early as possible to give his/her name and address to

Andras Szekeres, LOC FUDoM
